About me

I'm Hoan, a student at VNUHCM - University of Science, I'm learning at faculty of Information Technology HCMUS . I'm in search of a position that allows me to apply my management and technical skills to achieve club goals, develop improved processes for managing IT requests and accomplish projects in a more efficient way.

Interests

Coding
Sometimes I find some projects from my friends' courses and EDX courses and do it

Researching
Sometimes I read some paper about math, algorithm and machine learning
